Compiling your Learning path cod. 31286 - LM-35 Environmental Engineering A - Climate Change Adaptation and Mitigation

You need your Learning path to be approved to take any exams. You can submit your learning path once per year, according to the regulations of the Board of Environmental Engineering.

Go to INFOSTUD 2.0 (https://www.uniroma1.it/en/pagina-strutturale/students) and log in with your credentials. Click on "Bachelors and Masters Degree Programmes".

On the right column, select "Learning path".

Then Choose to compile your curricular learning path for.

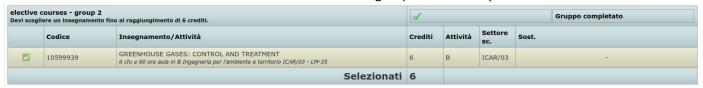

Climate Change Adaptation and Mitigation

You will be presented with the list of mandatory and elective courses to customize your learning path.

Curriculum A - Climate Change Adaptation and Mitigation

First Year

1. Choose "Greenhouse Gases: Control and Treatment" in the group of mandatory courses.

Second Year

2. Choose "Urban Mining and Recycling of Materials" (9 CFU) and "Renewable Energy (6 CFU)" in Group1.
